

Cat collection & delivery service

Battling with a busy work schedule? Struggling to make all your holiday arrangements before you go? Why not take advantage of our Pick up and Delivery Service? We can collect your cat at a time that is convenient so that you can get on with all your last minute holiday arrangements. Please ask for details.

Catseye Shop

Visit our Catseye Shop which has an interesting range of specialist, organic and natural foods, cat litters and a variety of cat related products including eco-friendly toys, gifts for cat lovers, and other accessories.

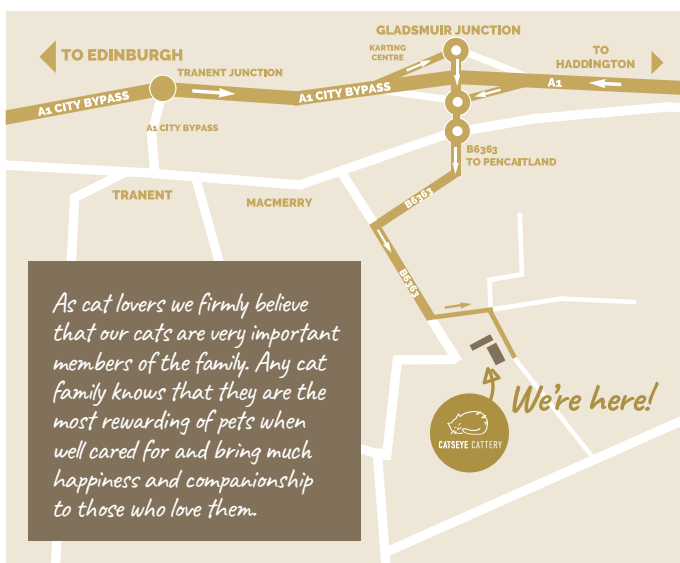

Our Gift Voucher is also available at Catseye Shop! Ask staff for details.

Our location

Our 'state of the art' cattery, built near Pencaitland, East Lothian, is just a short distance from Edinburgh and easily accessible from all areas of the city. The cattery is located in a beautiful rural location with easy access to the A1 and the City Bypass.

How to find us

Take the 'Gladsmuir' Junction off the A1 (see signs for 'Glenkinchie Distillery'). Follow the B6363 towards Pencaitland through two roundabouts. The road turns to the left after approx 1 mile (at a cluster of small cottages). Continue along the straight B6363 for a further half a mile and turn left into a single track road. Follow this road round to the right and you will see Catseye Cattery on the right hand side.

As cat lovers we firmly believe that our cats are very important members of the family. Any cat family knows that they are the most rewarding of pets when well cared for and bring much happiness and companionship to those who love them.

CATSEYE CATTERY

We believe that while you're relaxing on holiday, your cat should be too!

Who we are

Michael and Helen currently have five cats of their own and have always enjoyed being a 'multi-cat household'. Michael has a background in retail with over 25 years of running a successful business and Helen is a highly qualified experienced registered general nurse. Both have a lot of experience in caring for their own cats with a range of medical conditions and Helen's nursing background adds to the understanding of medical care.

The concept of this cattery is a culmination of several years research, planning and hard work. We have a clear vision of the high standards and caring ambience that we have created. Everyone who knows us recognises the passion and commitment that has gone into developing this business and that the welfare and comfort of cats in our care will be first class.

Secure, clean and healthy cattery

Our facilities are suitable for both indoor & outdoor cats. Fully purpose built uPVC double glazed Pedigree Pens with your cat's every comfort and safety in mind. Our aim is to provide your family pet with the best individualised care possible throughout their stay so that they enjoy their holiday as much as you do!

Our health and safety procedures are of the highest standard – clean hygienic environment and adherence to guidelines to ensure complete safety and prevent any risk of cross infection.

Our unique webcam facility gives owners the luxury of being able to see their cats and to check up on them whilst they are away!

Our 1st class cat care

We offer a flexible, adaptable package of care to ensure that your cat settles quickly and happily with minimal disruption to his/ her daily routine.

We hope that you will be so delighted with the care provided that you will bring your cat back to holiday with us over and over again.

They deserve to have only the best of care and plenty of love and attention whilst they are staying with us so that they can forgive you for leaving them behind whilst you are away!!
